

## **Compliance with REACH- Candidate List Substances of Very High Concern (SVHC)**

The European Chemical agency (ECHA) website lists those substances that have been designated as “Candidate List Substances” by ECHA Member States” Committee which was last updated on 19/01/2021.

Arconvert S.A confirms that none of the substance listed in the “ Candidate List of Substances of Very High Concern (SVHC)” is intentionally added to our products in concentrations above 0,1%(w/w) in regard to article 33 of REACH directive (EC) Nº1907/2006.

The information is based upon the theoretical compositions. We are disclosing this information based upon data from our raw material manufacturers and knowledge of our manufacturing process. Please note that we do not test our products to confirm the presence or absence of SVHC.

Issued: 26/01/2021
